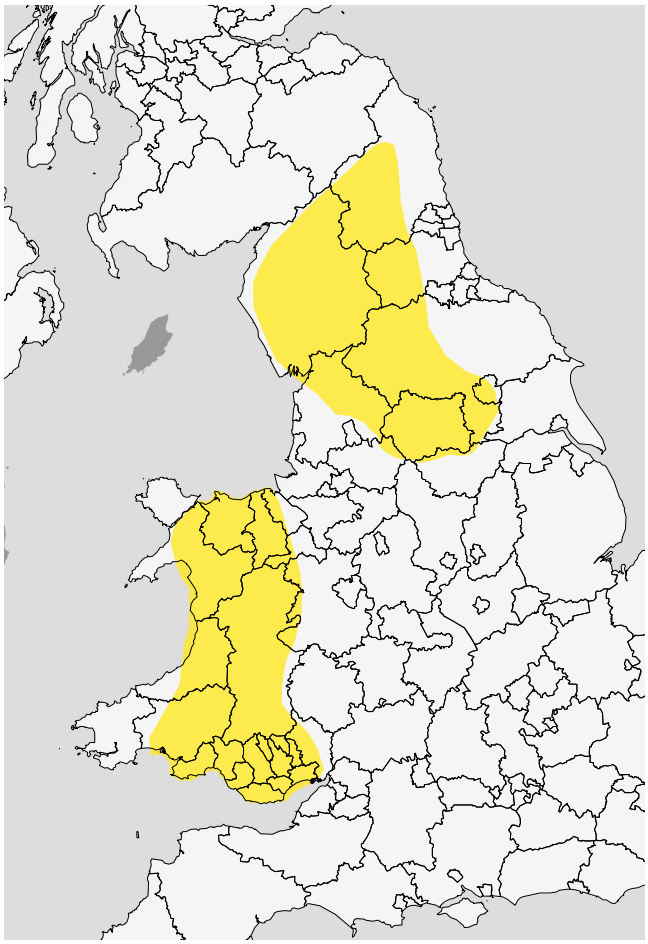
Yellow warning
Rain

Between
00:00 Sun 9 Feb 2020 and
18:00 Sun 9 Feb 2020



Heavy rain is likely to bring some disruption to travel during Sunday with some flooding in places.

What to expect

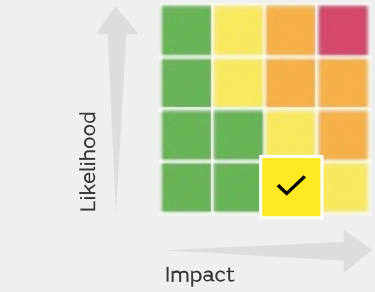
- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer, with the possibility of some cancellations to services.
- Spray and flooding on roads probably making journey times longer and some road closures are possible
- There is a small chance of fast flowing or deep floodwater causing danger to life
- There is a small chance that some communities become cut off by flooded roads

Further details

Heavy rain will affect parts of northern England and Wales during Sunday. The heaviest rain will be over high ground where 50-70 mm is expected widely with perhaps up to 100 mm in a few locations.

Reason for update

Update to expand the warning area and increase the severity of the impacts.



Very low likelihood of medium impacts
